

Children's Braille Book Club

Every child

deserves a library!

No matter if it's a small stack in a corner or a room lined with bookshelves, kids need a collection of books to call their own — books that can be pulled down from a shelf to explore independently or read to them by a trusted parent, teacher or friend.

Join the only Children's Braille Book Club in the country—featuring a new print/braille book every month for preschool through third grade.

We find the best children's picture books, insert the identical text in braille on clear plastic sheets, rebind them, and—here's the best part—sell them for the same price as the print books!

There are two ways to join the Club:

Receive FREE monthly notices — in print or braille — that describe each month's book. There is no obligation to buy; you simply order the titles you want.

Buy an annual subscription for \$100 and automatically receive twelve monthly print/braille books. This saves you the hassle of ordering and it saves you money!
