NEW JEWELRY!

Neat Art Studio Necklaces

New jewelry... from Neat Art Studio!

These unique braille necklaces are perfect for everyday wear! We've selected three pieces, featuring the words “grace,” “luck,” and “thankful.” The featured word is written on white porcelain in uncontracted braille. The braille dots are plated with white gold, hung on a fine 18” nickel free brass base chain plated in bright 16k gold. No two pieces are alike. These are a subtle way to make a big statement!

Limited quantities!

Choose your word (grace, luck, or thankful): \$32.00 plus s&h

Days Like This

This is a book of celebration — whether it’s the novelty of sleeping outdoors, the delight of picnicking on the beach, or the sheer joy of bouncing on the bed in the afternoon. These small poems, some familiar, some new, have been carefully selected by acclaimed author-illustrator Simon James, whose expressive line and watercolors portray an everyday world overflowing with wonder and possibility. With words and pictures given space to breathe, this is a collection of poems to read and revel in from beginning to end.

Days Like This (print/braille picture book): \$6.99

Love: I Love You All the Time

By Emma Dodd

Join little rabbit and her parent as they spend a glorious sunny day together in the meadow. Little rabbit finds love everywhere, but knows that a parent’s love is always the best love of all.

Print/braille board book in UEB: \$9.99

Little Baseball

By Brad Herzog and Doug Bowles

Lots of fun with rhyming riddles — all about baseball! Now even the smallest of fans can enjoy a book about their favorite sport. Rhyming riddles accompanied by colorful artwork help introduce the game’s simplest, most basic elements: “Shaped like a house, but this one’s flat. You stand next to it when you bat.”

Print/braille board book in UEB: \$7.95

Humpty Dumpty and Other Touching Rhymes

Descriptive text and illustrations by Shirley Keller & Irma Goldberg
Updated for 2019! Sitting on his wall, you can feel Humpty’s scrawny legs and arms, his egg-shaped head, every layer of brick — he’s become a tactile drawing, along with the cow who jumped over the moon, the baa baa black sheep, and five other Mother Goose characters. Each nursery rhyme appears in large print and braille on the left side of the page, facing the tactile illustration on the right. Includes a step-by-step descriptive tour of each illustration in a supplementary booklet (in contracted braille), tucked in a pocket in the front of the book.

Large print, uncontracted braille, and tactiles: \$24.00

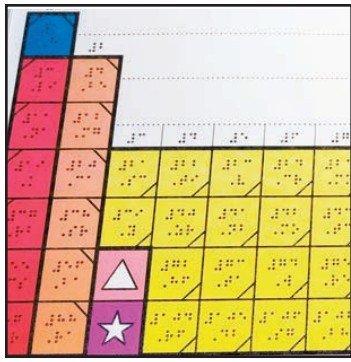

How to Read Braille Music, 2nd Edition

By Bettye Krolick

Published by Opus Technologies, this book explains the music braille symbols most frequently found in elementary through intermediate-level music. It’s written at a fifth grade reading level, so it’s suitable for both children and adults. Use this book if you are working with students who want to play in the band, or if you have more serious, higher-level blind musicians who need a strong understanding of the braille music code.

Print: \$16.95 plus s&h

Braille or BRF: \$16.95

Periodic Table of Elements

Created by Tactile Vision Graphics, this includes textured squares to represent the different classes of elements and a braille chart with important data. **Note:** This product is in EBAAE braille, not UEB, but this should have no effect on its usefulness!
