Lemonade Children's Song
by Patty Shukla

Lemonade, lemonade, come and get your lemonade
Lemonade, lemonade, for sale!
Lemonade, lemonade, come and get your lemonade
Lemonade, lemonade, for sale!

I made a big sign: FOR SALE LEMONADE
Buy a fresh cup; it’s all homemade.
Water, lemons, a little sugar, too.
Mix them all together, to share with you.

Lemonade, lemonade, come and get your lemonade
Lemonade, lemonade, for sale!
Lemonade, lemonade, come and get your lemonade
Lemonade, lemonade, for sale!

Dad was the first to buy a fresh cup.
He took one sip and then drank it all up.
My sister asked if she could have one, too.
I said “OK.” She said, “Thank You!”

Lemonade, lemonade, come and get your lemonade
Lemonade, lemonade, for sale!
Lemonade, lemonade, come and get your lemonade
Lemonade, lemonade, for sale!

25, 50, 75, a dollar
25, 50, 75, a dollar
25, 50, 75, a dollar
25, 50, 75, a dollar
Lemonade, lemonade, come and get your lemonade
Lemonade, lemonade, for sale!
Lemonade, lemonade, come and get your lemonade
Lemonade, lemonade, for sale!

My whole neighborhood came out to have some.
They drank it all up and now I have none.
Let’s make more, for next Saturday.
But for now the stand’s closed, come on let’s play!

Lemonade, lemonade, come and get your lemonade
Lemonade, lemonade, for sale!
Lemonade, lemonade, come and get your lemonade
Lemonade, lemonade, for sale!
25, 50, 75, a dollar
Lemonade, lemonade, come and get your lemonade
Lemonade, lemonade, for sale!
Lemonade, lemonade, come and get your lemonade
Lemonade, lemonade, for sale!
